COMMITTEE

Dr. BOYNTON respectfully announces that he will give EIGHT ILLUSTRATED LECTURES ON GEOLOGY,

AT THE COOPER INSTITUTE,
Commencing MONDAY EVENING, Oct. 3.
Second and Third Lectures on WEDNESDAY and FRIDAY
EVENINGS, Oct. 5 and 7. To be followed as per future no-PROGRAMME.

1. MECHANICAL ASTRONOMY; in which will be trated, by experiments in Natural History, the laws which cru the formation, form, motion, and situation of the heav

2 IGNEOUS CONDITION of the interior of the Earth causes of Volcanoes, Earthquakes, and the elevation of Cont causes of Volcanoes, Larizopaser, accepts and Islands.

3. COMPOSITION AND POSITION of Rocks, Gold Deposite, Quarty Volus, and Formations of California.

4. FIRST CREATED ANIMAL LIFE-Classification of First CREATED ANIMAL LIFE-Classification of First CREATED ANIMAL LIFE-Classification.

tocks by feasil remains found in them.
5. COAL BEDS—How the Coal was produced, with all Coals, Graphite, and the Diamond are of origin.

6. THE PERIOD OF REPTILES—Organic remains of my-riads of suimals that existed on the earth and in the seas millions of years before the creation of man.

7. WARM-RLOODLD ANIMALS—Difference between the

7. WARM-BLOODED ANIMALS—Difference between the animals that exist with man, and those that were on the earth before man was created. Mastaden and Mammoth.

8. THE PRESENT ORDER OF ANIMALS, with man and woman. Age of the earth. Agreement of the Biblical and Geological Chronelegy. The Harmony of Geology with the Mosaic account of Greation.

Each of the lectures will be illustrated by the exhibition of a

Lago of the sectores will be illustrated by the exhibition of a series of
LARGE AND SPLENDID PAINTINGS,
which cover over 3,000 feet of canvas, and were executed at a cost of more than \$4,000.1 They represent Volcances, California Scenes, Coral Islands, Coal Vegetation, Reptiles and Monsters of the Deep, and the Animals of the pre-Adamic world, the warm blooded animals and the Human Race, being all representatives of the entire Animal Creation. The finest of these paintings were executed by Russell Smith of Philadelphia.
His universally admitted that a view of these Paintings alone is worth more than the price of the whole course.
The to the course, \$1. Pupils of schools, 50 cents. Single admission, 25 cents. For sale at the Book and Music Stores, and at the door.

the door.

Doors open at 6%; to commence at 7%.

The Rev. Wm. Dill, one of the Irian Deputation, will preach to Standard of Presoyterian Church, cor. of Forsyth-at. Thil8 EVENING, at 75 o'clock.

MEMOIRS

CONJURER,

ROBERT HOUDIN AMBASSADOR,

AUTHOR, and

Dr. R. SHELITON MACKENZIE.

This Book is full of interesting and entertaining anecdotes, of the interviews of the Great Wirard with the most distinguished personages of the present day, and gives descriptions of the manner of performing many of his most curious tricks and transformations. Bound in one volume. 12mo., cloth. 445 pages. Pros. 51.

The following notices actually appeared in the papers to which

"It is admitted that Rebert Housin did obtain great eminen in his vocation, for he was sen't by the French Government on eart of pointed mission, to astonish the Araba and counteract in induces of their Marabouts. He was thus an Embassador amon Conjurers and a Conjurer among Embassadors. He now adds the triple trick of authorabip to his professional pages and persons transformations."

From The Lordon 11.

ansformations."
From The London Athenanum.
"Certainly his tricks and transformations are wonderful, and at a same time appeal to something higher than the sentiment of order. Te be chief in any department of bursum effort is a cint of ambition, and amongst Conjurers, Robert Houdin un-

point of ambition, and amongst Conjurers, Robert Housin un-questionably bears away the pain."

"Without any servantic intention, we might show that the Conjurer was really a man of greater ability that many a successful author. On the whole, we can recommend these 'Memoirs of Robert Houdin' as pleasant reading."

Second Book of the Series Realy SATURDAY, Oct. 1.

THE EMPIRE OF RUSSIA, FROM HHE REMOTEST FERIODS TO RHE PRESENT TIME. By John S. C. Abbott. With a Pottrait on steel of Peter the Great. Grown octave, 528 pp., cloth. Price \$1.90.

The author in his preface says:

"The world is now too busy to read voluntinous bistory. The interminable details of battles and the petty i trigues of courtiers and mistresses have lost their interest. In this volume it has been our object to trace perspicuously the path which Russis has tred from earliest infancy to the present hour. The career of this Empire has been as wild and wonderful that the historian can have no occasion to call in the aid of fency for the embellishment of his narrative. "In writing these Histories of the Monarchies of Continental Europe, the author has no wish to conceal has abhorrence of aristocratic asurpation. Believing in the universal brutherhood of man, his sympathies are most corcially with the oppressed masses. If the people are weak and debased, the claim is only the most urgent upon the powerful and the wise to act the part of elder brothers, hothing out the helping band to those who have fallen. The author feels grateful for the reception which the first number of this series—the Empire of Austria—has received from the American public. He hopes that his volume will not prove less interesting or instructive."

THE EMPIRE OF AUSTRIA; Its RISE AND PRESENT POWER. By John S. C. Abbott. With Steel Portrait. Coown contay, 520 pp., cloth. 81 50.
